Smartboard

It really does go to say that one person’s trash is another person’s treasure. Many thanks are extended to Nana Glen Public School who have kindly given us one of their Smartboards that they have replaced with new technology. It will be collected from Nana Gen tomorrow and then Mr Moss will install it in Miss Pellegrino’s room, as this classroom currently doesn’t have a Smartboard. I know that both the children and Miss Pellegrino will appreciate the new addition to their room.

School Photos

A reminder that school photos are tomorrow. Please ensure that all children are in full school uniform.

Outstanding Art Display

So outstanding in fact, that our display for the Centenary of Anzac display at the Cex Club at Coffs Harbour earnt a Highly Commended Award.

Last Wednesday our school was presented with a $500 cheque by Mr Bob Payne on behalf of the RSL sub-branch as a part of our award. Well done to all the children for their time and dedication to the display.

Part of the display is currently on show in our office foyer.

Orara Valley Soccer

This Friday all children 8 years and over will be participating in the Orara Valley Soccer Day. This day focuses on fun and learning new skills, and I’m sure everyone involved will experience all that, as well as interacting with children from other Orara Valley Schools.
Three Ingredients that can help make any child more successful.

Kids can be successful without a lot of extra help. Here are three things that can make any child more successful:

● **Support.**

Kids need to know that someone is in their corner. They can be successful if they feel that someone cares deeply about whether they succeed or fail, and if someone is proud of their successes and their efforts.

● **Boundaries and Expectations.**

Parents who are firm and loving have children who do better at school, feel more self-confident and get into less trouble than kids whose parents are too strict or too lenient.

● **Empowerment:**

All people need to know they make a difference. Encourage children to provide service to others. Make sure they take part in school or community service.
